

Partnership Program

Meeting Professionals International (MPI), the world's largest association for the \$102.3 billion meeting and event industry, is committed to positioning meetings and events as a key strategic component of an organization's success. The MPI Aloha Chapter, established in 1998, empowers its members to increase their strategic value with education, professional development and business growth opportunities. Partnership with MPI Aloha Chapter on chapter events and programs is the most cost-effective way to ensure that your company receives a great return on its investment and effectively use marketing dollars within the meeting industry.

For further information or ideas on how you can take best advantage of the Partnership Program, please send an email to Director of Fundraising, Cherryl Cunanan, ccunanan@helmsbriscoe.com.
